

Gift Catalog

Small gifts. Big impact.

Principal David Ssemuvubi

"The greatest news for an
African child is that of
getting a sponsor!"

We have received notable officials from the Department of Education to inspect what we are doing at Solid Rock. They have appreciated the environment, discipline, and everything going on within the school. Uniquely, they have told us to thank the Board of Directors of the Zozu Project, along with the sponsors and donors, for helping the government of Uganda provide education to the less privileged ones.

Small gifts. Big impact.

How It Works

Small Gifts. Big Impact.

Make a gift or give a gift of compassion

You can make a gift, and it will go to the children and families of Zozu Project. Or, this holiday, you can give a gift of compassion on behalf of a friend or a family member.

Your gift joins with others

You unite with hundreds of others giving to Zozu Project through the Giving Catalog, increasing your gift's capacity to bring hope.

You make a difference

Your gift provides help, hope and relief to the children, and their families.

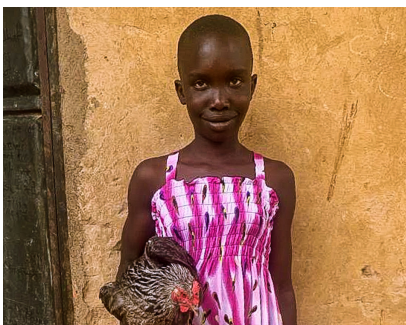

Income Generation

Goats

\$50

A gift of goats means a family can have milk, which they can consume and sell to earn money for other necessities.

Chickens

\$30

A gift of chickens for a family in poverty ensures that a child will have a steady source of protein and plenty of eggs to sell in the market.

Pigs

\$100

When a family receives a gift of pigs, there is very little upkeep or need for a large plot of land. Pigs reproduce quickly and can be sold for a profit.

Education

Story Books

\$50

Most children living in poverty have little to no access to books. Your gift will ensure that children can access storybooks about their culture in their library.

Curriculum

\$100

Invest in our future leaders by providing much-needed curriculum. A diverse curriculum is essential in providing the foundation for the children's future.

Math Supplies

\$25

This gift provides a student in P4-P7 (4th-7th grade) with a tin of mathematical instruments to be used in the classroom during practical mathematics lessons.

Meet a need

Emergency food packs

\$50

With most of our families living on less than \$2 a day, this gift will help provide for an entire household with a two-week food supply of essentials like rice, maize, and oil.

Bicycle

\$125

Most of the children travel miles to get to school. Having a bicycle provides them with transportation and makes the commute to school safe.

Mosquito net

\$20

Diseases like malaria, lead to missed school. However, this disease is preventable and treatable. Your gift of a bed net help children and their families avoid mosquito bites that cause deadly diseases.

Training & Resources

Classroom display charts \$120

With nine classrooms on campus, and without PowerPoint available, these display charts are critical in making a visual learning environment.

Teacher appreciation \$500

Our 40 Ugandan staff members give their time and talents daily. They spend 15-hour days, from sunrise to sunset, to educate the children of Solid Rock. On the weekends they volunteer their time to tutor students and serve at the church. With your gift they will receive a three day retreat and new staff shirts.

Sponsor a preschooler \$420 a year or \$35 a month

For as little as \$35 a month, you can fill a vital role in the Zozu Project by personally sponsoring a child in need and helping break the cycle of poverty and hopelessness.

Easy way to show someone you care!

The gifts in this year's catalog were uniquely chosen to help you make the most significant impact for the children and their families. Your gifts will be purchased by our Social Workers, who know each child's immediate needs with Zozu Project. As you decide, know that each gift you choose will bring hope to a child living in poverty.
