

# 2020 GIVING CATALOG

**Y**ou keep the work going. It's more than just shoes, uniforms, and school supplies. It's a family, and those items signify to these children that they belong— that someone is looking out for them. We were able to look out for over 400 children this year because of people like you giving to this project. Thank you.

To give, go online to [zozuproject.org](http://zozuproject.org), or mail a check to PO Box 1635, Templeton, CA 93465

**Uniform for new student- \$40**  
Before a student is sponsored, they still need a uniform, which is often the nicest item of clothing a student owns.

**Meals for a month- \$360**  
The staff and upper-level students still need to eat every day at school, and we are very hopeful that the school will be fully open in 2021.

**Share of Photocopier- \$200**  
Making homework packets for over 450 students over the last few months has made the need for a new top-notch photocopier abundantly clear. It isn't the most sentimental gift, but the teachers would *really* appreciate it.
